**BEST WESTERN RAMKOTA
SIOUX FALLS, SD**

Welcome Information

YOUR GUIDE TO CONVENTION

Dear Attendees,

Welcome to the 2024 SDSLHA Annual Convention – Better Together!

We are thrilled to have everyone together again for the 2024 Convention. Our group is a diverse group from those that just graduated and have their first caseload to those that have a retirement countdown calendar, those that see those itty bitty babies to those that work with individuals during their last days, and of course those that love glitter and those that don't. (Note: I believe in controlled glitter activities.)

This year's convention promises to get you thinking. We have a wide variety of topics and the hope is that you leave here with at least one thing that you are going to incorporate on Monday. Do you ever have it when you are at a talk and it's over just when they are getting to the good stuff? This year, we have scheduled our morning sessions to be 3 hours in length which will allow our presenters to really dive into a topic. After lunch, our presentations are back to 1 hour and 1.5 hour presentations.

In addition to the amazing course content, we have wonderful vendors here as well. Please stop by and chat with them about their services and products. We also have some vendors outside of our professional realm – we all need some retail therapy sometimes!

This convention is a great time to network. Connect with fellow professionals, exchange ideas, and build lasting relationships. I challenge you to sit by someone you don't know for a session. Many of us are dealing with the same issues: caseload, compensation, difficult kids. You don't have to do it alone! Do some brainstorming with a colleague.

SDSLHA is more than an association; it's a supportive community that fosters growth and collaboration. And that community needs you. Please think about how you can increase your involvement with SDSLHA. Maybe you can give a talk at one of our Educational Evenings. Maybe you can use your talents as a board member. Or maybe you can support our association financially. This year we are going to do something a bit different with our fundraising baskets. Look for details!

As you explore the convention, remember that we are all Better Together. Let's learn, share, and inspire each other to elevate our field and make a positive impact on the lives of those we serve.

Thank you for being part of this valuable community.

Warm regards,

Liz DeVelder, President
South Dakota Speech-Language-Hearing Association

CEU Information

YOUR GUIDE TO CONVENTION

In order to earn CEUs through the ASHA registry and/or a certificate of attendance for this event, participants must complete a self-assessment which includes how their learning relates to the learning outcomes for the course. This will be accomplished by writing at least three things learned and how it will be applied to the participant's work setting.

1

At the conclusion of the convention, a link will become available for you to complete in order to receive a Certificate of Attendance and/or have your participation reported to ASHA. The link will be posted on the main page of the Convention Website.

2

In the form, you will need to click on the sessions you attended. **YOU WILL NEED TO KEEP TRACK** of what you attended over the convention so you can complete this accurately. The sessions will be listed by author(s) then title.

3

PLEASE NOTE: There will NOT be Graduate Credit available this year.

4

You will have until **October 14, 2024** to complete the appropriate form. You will get an acknowledgement via email after submitting the form. If you do NOT get an acknowledgement email, please try again as it was likely not completed.
